Richard Salkie, Associate Director for
Removal and Emergency Preparedness Programs

Dennis Santella, Chief
Technical and Program Support Section

The Removal Program has received your October 17, 1990 request for a CERCLA Removal Assessment at Franklin Plastics, Kearny, New Jersey.

A site visit was conducted on November 8, 1990. Additional information has been received from the NJDEP. At this time we are still awaiting a final health consultation from ATSDR. Once the Removal Action Branch has determined the course of action it will take on this situation, we will notify your office of this decision.

Should you have any questions please do not hesitate to call me at FTS 340-6658 or Nick Magriples at FTS 340-6930.
